Dear Eric,

It has been my great honor to serve MIT as the 116th president of the Alumni Association during a year when we celebrated MIT's 150th anniversary. Before I officially step down on June 30, I'd like to ask for your attention one last time.

MIT is an institution that inspires admiration and respect all over the world, and one that has great power to bring about positive change. The Institute relies on the support of all its alumni, you and me included, to continue its vital work. So far this year, 30,558 alumni, together with students, parents, and Institute friends, have given to MIT. The countdown to another Fund year-end has begun; we are working hard to reach our donor goal of 36,000 alumni and students by June 30. We are so close.

As a past donor, I know you're just as dedicated to MIT as I am. Can I count on you to renew your support this year? You can [make your gift easily and securely online](#) or by calling us at [REDACTED]. Donations received by June 30 will count in this year's Fund total.

Your annual support is deeply appreciated.

Best regards,

Anne Street '69, SM '72
Alumni Association President

PS: It's possible our paths have crossed; if you've recently made your gift by mail or Web, thank you!

PSS: Follow the MIT Alumni Association on [Facebook](#) or [Twitter](#).

Dear Eric,

MIT's legacy of 150 years of innovation, research, and service is embodied by its alumni each and every day. Together, we help improve the world with contributions to energy, the environment, medical research, and the infrastructure that allows our society to function.

Help continue MIT's noble mission by enabling future students to receive the same benefits we did. Please take a moment today to [make your gift online](#) or by calling us at [REDACTED]

Every gift matters. Give to the part of MIT that matters most to you, or to what will help MIT most. All gifts received by June 30 will count in fiscal year 2011.

Thank you for your support.

Douglas G. Bailey '72
Chair, MIT Annual Fund Board

PS: Not sure what MIT programs need your help? Consider a gift to one of these priorities:

MIT's most pressing need

[Unrestricted gifts](#) give MIT's leadership the flexibility to respond to the Institute's most pressing needs.

Campaign for Students priorities

[Scholarship support](#) ensures that no student with the intelligence and drive to be offered admission to MIT will be turned away for financial reasons.

[Graduate fellowship support](#) financially enables the top graduate students to attend MIT, supplements shrinking government research funding, and offsets the rising cost of research assistantships.

[Undergraduate research and education program support](#) affords students the innovative, global, and hands-on learning experiences they will need to lead and serve society.

[Student life program support](#) fosters leadership development, enhances the campus community, and enables students to explore their talents beyond the classroom or lab.

Dear MIT:

At the recommendation of Eric P. '32 and Evelyn E. Newman, a gift of One Hundred Thousand Dollars (\$100,000.00) is hereby made to Massachusetts Institute of Technology today by Eric P. Newman Numismatic Education Society (a Missouri not for profit corporation) for the use of the Eric P. and Evelyn E. Newman Biomechanics and Human Rehabilitation Laboratory (a part of MIT). Payment will be made within two months. It is a satisfying pleasure to continue to give to MIT.

Eric P. Newman Numismatic Education Society
by Eric P. Newman , President

If it is appropriate I would like ('32) placed immediately following my name . and just before the name of Evelyn E. Newman

In a message dated 6/28/2012 3:00:40 P.M. Eastern Daylight Time, [REDACTED] writes:

Dear Mr Newman,

Thank you for your leadership and your annual generosity to MIT.

We would like to recognize you in the *2011-2012 William Barton Rogers Society Annual Donor Report*, scheduled for publication in November 2012. Based on our records, your name(s) will appear as follows:

Eric P. and Evelyn E. Newman *

Is this correct? If so, do nothing further. If you prefer an alternate listing, would like to include or remove a partner or spouse, or prefer that your name not be published, please let us know by replying to this email no later than **Friday, July 13, 2012**.

Many thanks for your continued annual support!

*Please note that degree year, if any, has purposely been omitted here. In the final publication, and unless otherwise requested, all undergraduate alumni donors will be listed by class year, while alumni donors with solely a graduate degree from MIT will be listed by graduate department (and with degree year after their names). Punctuation, if missing, will also be provided.

Dear Eric,

Thank you for your response. All undergraduate alumni donors will be listed by class year. It is not our policy to include the class year in the salutation, even if the donor listing includes a couple.

Thank you,

Trinity

As long as Eric P. Newman will be listed under my class year of 1932 that is fine for my and my wife's listing. Thank you for clarifying the matter. Eric P. Newman

Hi Eric,

We will list you as "Eric P. and Evelyn E. Newman" underneath the Class of 1932.

Thanks,

Trinity

Dear MIT friends:

I call your attention to the fact that you cannot tell from our listing who graduated from MIT in the 1032 listing whether it was Eric P. Newman or Evelyn E. Newman or both. Perhaps placing an asterisk or other symbol after Eric P. Newman may solve the problem unless it indicates I am dead. If you have no practical way of changing it I will not be concerned.. Eric P. Newman
